The trustee or custodian of a regulated superannuation fund under Superannuation Law may apply to become a Unitholder in a form acceptable to the Trustee.

5.6 Unitholders' Rights and Units

(2) A Unitholder may not interfere with, or exercise, the powers of the Trustee in respect of any Trust Property, Trust Liability or obligation, or lodge a caveat affecting Trust Property.
(3) The beneficial interest of a Unitholder is represented by the Units referable to the Portfolios in which their Unitholder Account is invested.
(4) The rights attached to Units referred to in clause 5.6(3) will be determined in accordance with this deed.

(5) The Trustee may create, issue, redeem and cancel fractions of Units, calculated to the fourth decimal place, which will be dealt with for all purposes of this deed as Units, but in the proportion that the fraction bears to a whole Unit.

(6) The Trustee may round up or down Units, and amounts to be converted into Units, to the nearest fraction of a Unit calculated under clause 5.6(5).

6 Liability of Unitholders

6.1 Limitation of Liability

(1) The liability of each Unitholder is limited to the amount for the time being standing to the credit of their Unitholder Account, as represented by the Units recorded in the Unitholder Account.

7.3 Payment of Application Moneys

Application Moneys must be paid at the times and in the manner determined by the Trustee, subject to any requirements of Superannuation Law.

7.4 Application Moneys other than Cash

The Trustee may accept Application Moneys other than in cash on special terms, conditions or restrictions. These Application Moneys will be valued in accordance with clause 13.

7.5 Application Moneys Paid by Mistake

The Trustee must repay Application Moneys which:

(1) it determines were paid by mistake, unless:

   (a) Superannuation Law prevents that repayment; or

   (b) the person who mistakenly paid the Application Moneys and the Trustee agree otherwise; or
(2) the Trustee should have refused to accept the Application Moneys under this clause 7.

7.6 Refusal of Application Moneys

(1) The Trustee may refuse to accept all or part of any Application Moneys.

(2) The Trustee must refuse to accept Application Moneys if required by Superannuation Law.

7.7 Special Conditions

The Trustee may:

(1) issue Units to a Unitholder on special terms, conditions and restrictions; and

(2) vary or remove any special terms, conditions and restrictions previously imposed.

8 Units

8.1 Unit Price

Subject to Superannuation Law and clause 11, the price at which Units referable to a Portfolio may be created by the Trustee is the amount derived by dividing the sum of:

(1) the Net Value of the Portfolio as at the next valuation time after the Application Moneys become Trust Property; and

(2) an amount not exceeding the Trustee's estimate of the total cost which would be incurred in respect of the acquisition of the relevant Portfolio's investments,

by the number of Units on issue referable to the relevant Portfolio at that valuation time.

8.2 Net Value

(1) For the purpose of this deed, Net Value of a Portfolio is the value of Trust Property referable to that Portfolio less Trust Liabilities referable to that Portfolio.

(2) The Trustee will calculate the Net Value of a Portfolio at least once each week (or at such other times as the Trustee determines), on the basis of the most recent valuation of each item of Trust Property and determination of Trust Liabilities.

8.3 Refusal to Issue Units

The Trustee may suspend the issue of Units referable to a Portfolio during any period in which the Trustee is of the opinion that the issue price of those Units cannot be calculated in a manner that is fair to all persons holding those Units.

8.4 Classes of Units

(1) The Trustee may:

(a) issue different classes of Units; or

(b) divide issued Units into different classes; or

(c) consolidate Units; or
(d) reclassify Units,
as and when it thinks fit.

(2) The Trustee must determine the rights attached to a class of Units when it
exercises its discretion under clause 8.4(1), and such rights will prevail over the
provisions of this deed to the extent of any inconsistency.

9 Redemption of units

9.1 Redemption of Units

A Unitholder may request, in a form acceptable to the Trustee, the payment of all or part of
the Unitholder Account of the Unitholder. The Unitholder may specify Units referable to a
particular Portfolio which are to be redeemed in order to make the payment.

9.2 Redemption Amount

The proceeds of the redemption of Units to be paid to a Unitholder under clause 9.1 must
be treated as if they were a withdrawal for the purpose of clause 9.4.

9.3 Redemption Price

(1) Subject to Superannuation Law and clause 11, the price at which Units referable to
a Portfolio will be redeemed and cancelled by the Trustee is the amount derived by
dividing:

(a) the Net Value of the Portfolio as at the next valuation time after the date of
the redemption request; less

(b) an amount not exceeding the Trustee’s estimate of the total cost which
would be incurred in respect of the disposal of the relevant Portfolio’s
investments,

by the number of Units on issue referable to the relevant Portfolio at that valuation
time.

(2) Subject to clause 9.5, the Trustee will redeem and cancel Units within 60 days after
lodgement with the Trustee of the redemption request.

9.4 Withdrawals

(1) The Trustee will make payment in respect of a withdrawal from a Unitholder
Account (by way of redemption and cancellation of Units) in accordance with this
deed.

(2) Any such payment, whether to the relevant Unitholder or to another person
believed by the Trustee in good faith to be entitled to receive it, will be a complete
discharge of the Trustee’s obligations in respect of that payment.

(3) Subject to Superannuation Law, a payment may be made other than in cash or its
equivalent in accordance with clause 9.5(5).

(4) Where an amount is paid, or consideration is provided other than in cash, in
respect of a withdrawal from a Unitholder Account, the amount of the payment or
value of the consideration, must be debited to the Unitholder Account, and Units
referable to the relevant Portfolio of an equivalent value must be redeemed and
cancelled.
9.5 **Suspension of Redemptions**

The Trustee may suspend the redemption of Units referable to a Portfolio during any period in which the Trustee considers any of the following circumstances to prevail:

1. it is of the opinion that the redemption price of the Units cannot be calculated in a manner that is fair to all persons holding those Units;
2. there would be insufficient cash remaining in the Trust to meet other Trust Liabilities;
3. it reasonably believes that sufficient Trust Property will not be able to be realised:
   a. at an appropriate price; or
   b. on adequate terms; or
   c. due to any other circumstances outside its control;
4. if the outstanding redemption requests are all satisfied immediately:
   a. Unitholders who continue to hold Units may bear a disproportionate burden of Trust Liabilities; or
   b. there would be a material diminution in the value of the Trust Property to the material disadvantage of existing Unitholders; or
5. in the Trustee's opinion, it is not otherwise in the interests of Unitholders for any Trust Property to be sold in order to satisfy a redemption request;

10 **Transfer of Trust Property**

1. Subject to Superannuation Law, the Trustee may, instead of paying cash, transfer Trust Property to a Unitholder in satisfaction of any part of a redemption request with or without the consent of the Unitholder.
2. The value of the Trust Property to be transferred to the Unitholder under this clause 9.5(5) is to be determined by the Trustee in accordance with clause 13.
3. For the purposes of this clause 9.5(5), each Unitholder:
   a. appoints the Trustee as their agent to do anything needed to give effect to a transfer of the Trust Property from the Trustee (or its custodian) to the Unitholder;
   b. agrees to become a member of any body corporate or trust whose securities are included in the relevant Trust Property; and
   c. agrees that any agreement or arrangement made under the agency authority in this clause 10(3) is effective and binds the Unitholder.
4. In this clause 9.5(5), a reference to a Unitholder includes a reference to the custodian of the Unitholder.
11 Special Circumstances

Despite clauses 8.1 and 9.3, the Trustee may determine a price at which Units referable to a Portfolio will be:

(1) issued in relation to any particular Application Moneys; or
(2) redeemed in relation to any particular withdrawal payment,

that is different from the price determined under clause 8.1 or 9.3 (as appropriate) if the Trustee believes that to do so will not prejudice the interests of the other Unitholders.

12 Switching Portfolios

12.1 Switching Request

A Unitholder may request:

(1) in a manner acceptable to the Trustee; and
(2) with the approval of the Trustee,

for any or all of the Units referable to a particular Portfolio to be switched to Units referable to another Portfolio.

12.2 Effect of Request

A switching request approved by the Trustee must be treated by the Trustee as:

(1) a request under clause 9.1 for redemption of the relevant Units referable to a Portfolio; and
(2) an application under clause 7.1 for the issue of the relevant Units referable to another Portfolio.

13 Valuation of Trust Property

The Trustee may instruct a valuer or other expert to value any part of the Trust Property. The costs of those valuations must be paid out of the Trust. Trust Property must be valued by reference to the valuation principles determined by the Trustee from time to time.

14 Tax

14.1 Taxation

(1) In addition to its powers under clause 15, the Trustee:

(a) must comply with the law in force in relation to the deduction, remittance and payment of Tax (Tax Laws); and
(b) may adjust (either or both of):

(i) the amount of Application Moneys or Redemption Amounts; and
(ii) conditions relating to any applications for, or redemptions of, Units.
in order to comply with any Tax Laws or as a result of any changes in Tax or Tax arrangements.

(2) Any adjustment under this clause 14.1 will have immediate effect without the necessity of amending this deed.

14.2 Provision for Tax

The Trustee may make provision for Tax:

(1) in the Unitholder Account of each Unitholder; and

(2) in the calculation of any Trust Liabilities and the Net Value of a Portfolio.

15 Accounts

15.1 Accounts

(1) The Trustee will establish and maintain a separate Unitholder Account for each Unitholder of the Trust.

(2) The Trustee:

(a) must establish and maintain for the Trust such other accounts as this deed requires;

(b) may establish and maintain for the Trust such other accounts, including reserving accounts as the Trustee considers appropriate; and

(c) may establish and maintain sub-accounts within any account for any purpose and in any manner the Trustee considers appropriate.

15.2 Unitholder Account

(1) Unitholder Accounts will not constitute separate trusts.

(2) Each Unitholder Account will commence when the Trustee first accepts Application Moneys in respect of that Unitholder Account or as otherwise determined by the Trustee.

(3) The following amounts may be credited to the Unitholder Account of a Unitholder:

(a) any Application Moneys received in respect of the Unitholder;

(b) any amount credited to the Unitholder Account under clause 15.4; and

(c) any other amount which the Trustee determines is appropriate to credit to the Unitholder Account.

(4) The following amounts may be debited to the Unitholder Account of a Unitholder:

(a) any amount required to be debited to the Unitholder Account under clauses 15.5 or 15.6;

(b) any Redemption Amounts paid or applied from the Unitholder Account; and
any other amount which this deed requires to be debited to the Unitholder Account or the Trustee considers it appropriate and equitable to debit to the Unitholder Account.

15.3 **Unitising amounts**

Where an amount is to be credited or debited to an account under this deed, the Trustee may:

(1) convert the amount into Units of the relevant Portfolio immediately before the amount is credited or debited to the account; and

(2) issue or redeem (as the case may be) the relevant number of Units of the relevant Portfolio having regard to the relevant issue or redemption price.

15.4 **Allocation of Tax Savings**

The Trustee may, at any time, determine to credit to all or any Unitholder Accounts, the amount of any Tax Saving, in such proportions as the Trustee determines.

15.5 **Allocation of Additional Tax**

The Trustee may, at any time, determine to debit to all or any Unitholder Accounts, the amount of any Additional Tax, in such proportions as the Trustee determines.

15.6 **Trust Liabilities**

Each Unitholder’s share of the Trust Liabilities must be applied in one of the following ways as determined by the Trustee:

(1) deducted from Application Moneys before they are credited to the Unitholder Account;

(2) debited to the Unitholder Account;

(3) taken into account in the calculation of the Net Value of a Portfolio;

(4) deducted from Redemption Amounts;

(5) dealt with in any other manner determined by the Trustee; or

(6) applied in any combination of the above.

15.7 **Estimation of Expenses**

The Trustee may make:

(1) any deduction or debit under clause 15.6 on an estimated basis; and

(2) subsequent adjustments to take account of any difference between estimated and actual amounts.

15.8 **Closing of Accounts**

(1) The Trustee must close a Unitholder Account after all amounts which could become payable in respect of the Unitholder have been paid or applied.
Any amount remaining in a Unitholder Account at that time may be forfeited to the Trust and applied as the Trustee considers appropriate.

15.9 **Trustee’s Discretion**

The Trustee:

1. must terminate a Unitholder Account if required to do so under Superannuation Law; and

2. may terminate a Unitholder Account after giving reasonable notice to the relevant Unitholder.

15.10 **Application of Assets**

On termination of a Unitholder Account, the Trustee must apply the assets referable to the Unitholder Account in the following order of priority:

1. all Trust Liabilities which have been incurred or are likely to be incurred in respect of the Unitholder Account (including the termination of the Unitholder Account); and

2. the balance of the Unitholder Account to the Unitholder or at their direction in accordance with Superannuation Law.

15.11 **Securing of Entitlements**

The Trustee may make any arrangements it considers appropriate to secure any entitlements of a Unitholder on the termination of a Unitholder Account, without the Unitholder’s consent and even if the arrangement is contrary to the Unitholder’s wishes.

15.12 **Liability of Trustee**

On completion of the arrangements under clause 15.11:

1. no person has any right against the Trustee in respect of any entitlement in relation to the relevant Unitholder Account; and

2. the Trustee is discharged from the trusts of the relevant Unitholder Account.

16 **Trust accounts and audits**

The Trustee will keep accounts for the Trust, and arrange for them to be audited, in accordance with Superannuation Law.

17 **Powers of Trustee**

17.1 **Powers of the Trustee**

Subject to this deed, the Trustee has within and outside Australia all the powers in relation to the Trust, Trust Property and Trust Liabilities that it is legally possible for a natural person or a corporation to have, including (but not limited to) power to:

1. invest in real or personal property of any nature and in any jurisdiction;

2. incur liabilities and obligations of any kind, as if it were the absolute and beneficial owner of all Trust Property;
effect (including payment of premiums) any indemnity insurance policy covering

Superannuation Law and the provisions of this deed;
