#### Remuneration

Hostplus sets remuneration at a level designed to attract and retain skilled and capable staff.

These payments include the remuneration for Hostplus' chief executive and the executive leadership team as well as fees paid to directors, alternate directors and other board committee members. Payments for some directors are also disclosed under "other" categories below.

Remuneration details are available at hostplus.com.au/remuneration-policy

# **Breakdown of expenditure**

All Hostplus expenditure is considered in the context of members' best financial interests. According to SuperRatings, Hostplus' operating costs are well below the industry median when calculated according to both our number of members and total funds under management<sup>1</sup>. This is mainly due to prudent expense management, while still focussing on providing great outcomes for our members with improved products and services.

In accordance with regulation 2.10(1) of the SIS Regulations, this document contains an itemised list of expenditure in the following categories:

- promotion, marketing or sponsorship expenditure
- political donations
- industrial body payments
- related party payments.

Some payments fall within multiple categories as defined in regulation 2.10(1) of the SIS Regulations. Those payments are therefore disclosed multiple times in the below itemised tables.

#### Promotion, marketing or sponsorship expenditure

This expenditure contributes to the growth of the Fund.

One of the most effective ways to optimise members' financial outcomes is to grow the Fund. As a larger fund, we can leverage our size and scale to access a wider range of investment opportunities. Additionally, with this greater scale comes greater capacity to enhance and re-invest in products, services and capabilities for our members. It has also enabled us to keep our admin fee low, ensuring more money can go towards members' retirement.

This category includes payments made by Hostplus for media, advertising, partnership (sponsorship) agreements and the direct development of promotional or educational material.

### Promotion, marketing or sponsorship expenditure (cont'd)

In accordance with regulation 2.10(1)(e) of the SIS Regulations, the following table includes expenditure under the relevant contract(s) across multiple financial years. Accordingly, the amounts in the below itemised table will not match the disclosed amount in the short form summary table above, which, in accordance with regulation 2.10(2)(b) of the SIS Regulations, is limited to the 2023/24 year of income. Some payments fall within multiple categories. Those payments are therefore disclosed multiple times in the below itemised tables.

## Industrial body payments

In accordance with regulation 2.10(1)(g) of the SIS Regulations, this table shows each industrial body payment made by Hostplus in the year of income ended 30 June 2024.

Industrial bodies are defined as organisations registered under the *Fair Work (Registered Organisations) Act 2009* (Cth). Payments made to these bodies are for purposes that include marketing, advocacy and promotion of the Fund. Payments also include some fees paid to memberrepresentative directors. Hostplus directors choose where their fees are paid.

Some payments also relate to Hostplus leasing offices at industrial body locations. More detail is available at **hostplus.com.au/financialstatements.** 

Some payments fall within multiple categories. Those payments are therefore disclosed multiple times in the itemised tables on this page.
