Form to opt-in to the new Accor automatic insurance design

This form can only be used if you are an existing member under the Accor tailored insurance arrangement with active automatic cover prior to 1 March 2026. This form cannot be used to increase the amount of cover held, or take out new cover.

By submitting this form, I am opting in to the new Accor automatic insurance design (Death and/or Total and Permanent Disablement) and acknowledge that:

- I have read and understood the new Accor insurance design explained in the "An important update to your tailored insurance arrangements" notice dated 29 January 2026.
- My existing level of automatic cover (Death and Total and Permanent Disablement) will be replaced with a salary-linked calculation of 15% of your annual salary multiplied by the number of years from now until you turn age 65.
- The new calculation will provide me with a decreased level of Death and Total and Permanent Disablement cover **up to a maximum of $750,000 without providing health, lifestyle and other relevant information.** This cover will generally reduce over time.
- The age when my automatic death cover ceases (if applicable) will change from age 70 to age 65
- I can switch to fixed cover at a future date, as long as my cover is still active. The amount of fixed cover will be based on the amount of cover I have at the time of my request.
- This change will take effect from the later date of 1 March 2026 or when this completed form is received by Hostplus.
- I understand the full terms and conditions are available in the Hostplus Executive plan Product Disclosure Statement (PDS) and **Insurance in Your Super Guide** at hostplus.com.au/pds
